< TASK 1 >

Read the articles (1) to (3).
And figure out which article they come from.
Write A, B, or C.

- (1) _____
"Floating Furniture" William Calderwood of Peoria, Ariz., holds a patent for lighter-than-air furniture that floats against the ceiling when not in use --- freeing up space in a room!
- (2) _____
"It takes a licking..." After a leg injury, Mitch Bonham of Wales had his leg saved from amputation after his dog started licking it --- stimulating the blood flow and causing the leg to heal!
- (3) _____
Believe it or not! The only living part of the human body with no direct blood supply is the cornea. It receives all its oxygen directly from the air!

< TASK 2 >

Answer the questions.

- (4) What's the point in using "Floating Furniture?"
- (5) Who saved Mitch's leg from amputation?
- (6) How does the cornea receive its oxygen?
